AIR AMBULANCE WEEK

9-15 September 2024

What is Air Ambulance Week?

Air Ambulance Week takes place every year and aims to raise awareness about the work carried out by the 21 air ambulance charities situated across the UK.

This year, Air Ambulance Week runs from 9-15 September.

Wiltshire Air Ambulance is the local air ambulance for Wiltshire and Bath and the charity will be heading out across their region during the week to engage with supporters.

How can I support Air Ambulance Week?

Join us at one of our events taking place over the week, full details are on page three.

You could support Air Ambulance Week by promoting our charity on your website, in your office or online across social media.

We have included a selection of imagery and logos you are welcome to use.

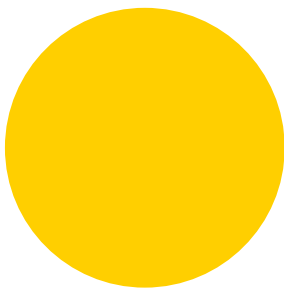

Key buildings across Wiltshire and Bath will also be lighting up to show their support during the week. Pictured left is a shot from Melksham Town Hall lit in yellow and green in 2023!

Download your logos on our website

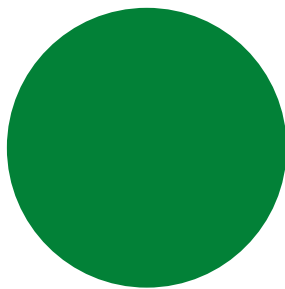

Click the logos below to be taken directly to our Air Ambulance Week page to download the logos.
